

BE AN ORGAN DONOR!

JOIN THE RANKS! Your tax deductible donation will help save this historic theatre pipe organ and part of our cinematic and movie tradition for future generations to experience and enjoy. When restored, the 3/18 Mighty Wurlitzer will once again raise its wondrous voice of 1286 pipes, traps and percussions to the delight of theater patrons of all ages.

For donations made to this project, the Donor's name or dedication will be inscribed for item(s) purchased. In addition, all names will be listed in a special commemorative book about this unique project. Donor names of \$5,000 or more, will be included on a project dedication plaque to be installed in the Kentucky Theater.
